Terms and Conditions

MSC Cruises will only consider benefit cards from other Cruising companies, Hotels or Tour Operators. Airline Company benefit cards are excluded. Matching is carried out by comparing as much as reasonably possible the level of benefits guaranteed from the external travel programme benefit card with those offered by the MSC Voyagers Club cards. Conversion will be executed by MSC based on objective criteria and may only be done once per consumer.

You can register to the Status Match by completing the online registration form available on msccruises.uk. It is not possible to register during the cruise. Everyone under 18 years of age cannot register to the Status Match. Applicants must allow up to 4 - 7 business days for status match to complete. Guests will physically receive their membership card once on board for their first cruise with MSC Cruises. It is not possible to combine MSC Voyagers Club points with points from the benefit card data of other cruise companies. If a guest has benefit cards with multiple companies, he/she will have to choose which card to use to take part in the promotion. The MSC Voyagers Club card and membership will be subject to the terms and conditions of the MSC Voyagers Club. A copy of the MSC Voyagers Club T&Cs is available on the MSC Cruises website.

MSC Cruises reserves the right to reject any Status Match Request without any legal ramifications for legitimate reasons and to stop this programme at any time. 5% cruise discount applies on bookings made after the Status Match registration. MSC employees may not take part in the Status Match Programme.
